

Hit the high notes with an AMS Provider who understands your journey with Workday, Databricks, and Eightfold.

6 reasons to choose The Groove for AMS.

- 1 Internal support scaling:** We can right-size your internal delivery model to support peak periods and business demands.
- 2 Culture of knowledge sharing:** Benefit from an open, collaborative environment where insights and expertise are consistently shared, empowering your team to thrive.
- 3 High-value consulting:** We're not ticket takers—our solution-oriented consulting provides a strategic viewpoint that aligns with your long-term business journey.
- 4 Predictable spend:** Budget stability is crucial—especially for your CFO. With our predictable billing, financial surprises are a thing of the past.
- 5 Not a one-size-fits-all approach:** Say goodbye to generic packages. We delve into your unique experience to craft a solution that fits perfectly with your needs.
- 6 Experience across leading platforms:** With extensive experience in Workday, Databricks, and Eightfold, we bring deep expertise to every aspect of your enterprise, ensuring a seamless integration and maximizing the value of your technology investment.

AMS at the speed of business.

Benefit from top business and technical expertise, combined with a human-centered approach to ensure your solutions' smooth and efficient operation. Our robust application management services adhere to industry-leading standards, driving your business' success.

Pair your team with our experience and expertise.

Our team specializes in AI/ML technologies and the future of work, delivering an exceptional experience tailored to your needs. With a track record of supporting over 1,000 clients, we empower you with the data and business intelligence to make informed decisions and drive success.

Maintain your groove.
